

## Tutor 'Pupil of the Month' October

	<b>Pupil</b>	<b>Because.....</b>
<b>5OM</b>	Charlie	he has shown such a great attitude to learning – willing to give things a go, increasing his reading level and being a great friend as well.
<b>5LP</b>	Penny	she consistently gives 110% in everything she does. She is a kind; compassionate individual and I know that I can always trust her to make sure that everyone has a friend and no one is left out.
<b>5EE</b>	Samuel	for being a consistent and hardworking learner, Samuel always goes the extra mile in every subject, whether that be in the form of reaching extensions, asking for extra work or engaging with out-of-class tasks, such as the creative writing club which he has been putting so much effort into. He is also an extremely responsible, helpful and considerate member of 5EE. Samuel will always offer his help to others and will be there to lend a hand when someone may need it.
<b>5EM</b>	William	for being an outstanding and upstanding member of the class. Always ready to lend a helping hand or with a kind word. A wonderful asset in the class.
<b>5RM</b>	Bethany	for showing such a positivity and enthusiasm to learning in all subjects. This is infectious to those around you and it never fails to both shine in your work and make my day. Keep up this fantastic work!
