

	<b>Pupil</b>	<b>Because.....</b>
<b>5OM</b>	Noah	he has been noticed listening particularly well in lessons, which has resulted in him improving his work within class time and achieving the learning objective successfully – excellent work
<b>5LP</b>	Sophia	for consistently putting in an incredible amount effort into everything she does. She shows compassion and kindness every single day and to anyone she crosses paths with. She should be incredibly proud of the person she is and I know that she will continue to go above and beyond as the school year progresses.
<b>5EE</b>	Esmae	for consistently demonstrating excellence in every lesson, always putting in maximum effort and maintaining a positive attitude towards her learning. Also, for spreading kindness and empathy within the classroom.
<b>5EM</b>	Kieran	for his grace and determination. He is always enthusiastic and keen to share building on points others have made in a supportive way. Well done Kieran !
<b>5RM</b>	Sophia	for consistently going above and beyond in both work, helping others and organising the classroom! She combines hard-work with kindness - what a winning combination!
