

	Pupil	Because.....
8KA	Olivia	she has shown resilience and courage in her approach to school. She always works hard and is a delight to her peers and to staff .
8RMG	Maia	she is always punctual, organised and ready to learn. Maia always sets a positive example and she instinctively finds way to make situations better and more efficient. She looks out for others and is always kind. I have been pleased to see Maia is also very engaged with school life and volunteers to help.
8EF	Freya	for always working in a respectful and diligent manner and having a positive can do attitude towards subjects across the school.
