

# Hugh Sexey C of E Middle School

## Parent Access to our PSHE programme – Jigsaw PSHE

At Hugh Sexey Church of England Middle School, we subscribe to the 'Jigsaw PSHE' programme – a nationally recognised program which meets or exceeds all DfE Relationships, Sex and Health Education (RSE) requirements.

The Jigsaw Online Portal has now been reconfigured in a way that will enable schools in England to meet the new expectations set out by the Secretary of State for Education around the sharing of published programmes used for RSHE.

We believe that parents and schools are partners in their children's learning. Each half-term, we deliver a new 'Puzzle Piece' (new unit) and parents and carers will, from January, be provided link by which they can access the content and overviews of the unit and lessons.

### The areas shared with parents/carers are:

- An overview of the puzzle theme
- A downloadable knowledge organiser (primary only) giving you an overview of the Learning Intentions and the vocabulary that may be used, and some ideas of questions you can use to extend learning in this topic at home
  - Generic lesson planning and slides for the topic that is being taught at this time (or is about to be taught depending on the time in the term you access it)

These have all been written as part of a whole school spiral and progressive curriculum that helps children to build on previous learning in the Puzzle theme from earlier years, and prepare for future learning both in and out of school. It should be noted that you will have access to the generic Jigsaw lesson planning. Our teachers are actively encouraged to adapt these to fit with our local setting, current events and the specific needs of their pupils.
