

YEAR 5 TRIP TO CARYMOOR – VIKINGS

The year 5's had an extraordinary trip to Carymoor this week. Despite the pestering wasps, everyone had a sensational time! From bread-making to grinding our own grains, to orienteering and a fantastic scavenger hunt, all the activities were awesome and were filled with elements of creativity, challenge and fostered teamwork. By the end of the week, all year 5's agreed that they'd all had a wonderful time at Carymoor.

Year 6 need your HELP!

As part of our Careers Education Challenge Day, please send any junk modelling resources into school with your child. These can be deposited in the Year 6 area. We are looking for items such as: cereal boxes, sticky tape, kitchen roll tubes - anything that could help us make scale models really! Thank you in advance!

By Thursday 17th July 2025

Thankyou for your perseverance with the Parent App logins, we are slowly resolving all the issues and our login successes are increasing.

If you are still unable to see your child as a Hugh Sexey pupil on the App or Online Portal, please let us know via school@hughsexey.org.uk

If your child is attending The Kings Of Wessex Academy from September, you may already have your login set up, both school profile should be visible from your home screen, under My Child by clicking on the profile.

HSMS SUPERSTARS

FOOTBALL

Harry in Year 6 had his football presentation on Saturday for Banwell U11's. They have had a great season, won the league and will be promoted. Harry was voted players player

HSMS Values in Action @ Home

Wb 7th July 2025

What makes somewhere a good place to live?

Scientists in Australia have discovered that human beings lived in high mountain caves nearly 20,000 years ago. They found tools, burnt wood, and other artefacts deep inside the caves of Australia's Blue Mountains, showing that people once cooked and lived there. The discovery is one of the earliest records of people living within this mountain range. The caves were likely a safe and useful place to shelter during cold winters in the mountains. In the news this week

- Why do you think people chose to live in mountain caves? Share your response with someone at home. Do you think it's important to learn about the homes of people from the past?
- Considering where you live, what are the things you need to live a comfortable life in your home? Have these things changed over time?

Invitational Prayer:

Dear God
Thank you for creating our world and providing us with safe places to live. Encourage us to look to and learn from the past. Help us to use our knowledge wisely and kindly and guide us to make choices that help and protect others.
Amen

HSMS Christian Value and Virtue next week:

Trust and Accountability

Bible Link:

Psalm 91:1-2

British Value and Protected Characteristic:

Mutual Respect and Tolerance/ Race
