CGP REVISION GUIDES – YEAR 6

Dear Parents and Carers of Year 6 Pupils,

As we move through this important year in your child's education, we are committed to providing the very best preparation and support ahead of the Key Stage 2 SATs. To help pupils consolidate their learning at home and build confidence in the run-up to the tests, we would like to provide each child with a set of CGP homework books covering Mathematics, Reading, and Spelling, Punctuation & Grammar (SPaG).

These resources are specifically designed to complement the work done in school and give pupils targeted practice in the key skills and question types they will encounter in their SATs. The books offer clear explanations, practice questions and opportunities for self-assessment — making them a vital tool for both independent study and teacher-led support.

However, the cost of providing these high-quality resources to every pupil is considerable. To help us cover this expense, we are asking for a voluntary contribution of £5 per pupil. This contribution will go directly towards the purchase of the CGP books and ensure that every child has access to the same materials.

We want to stress that this contribution is voluntary and no pupil will be disadvantaged if a family is unable to contribute. However, your support in meeting this cost would be greatly appreciated and will make a real difference to the resources we can provide for all Year 6 pupils.

Please can any voluntary contributions be made via My Child at School (MCAS) by Friday 5th December.

Thank you, as always, for your continued support. If you have any further questions, please do not hesitate to get in touch.

Yours sincerely,

Mr McKechan
