GO-APE

Sensible footwear – closed-toe, secure shoes are a must. No heels, crocs, sandals, slip-offs or flip flops. Your footwear should protect your toes and heels and stay firmly on your feet. Gloves are advised as they make gripping ropes and ladders far more comfortable.

VALUABLES/MONEY:

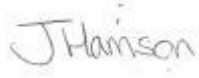

- Spending money (pupils will be responsible for this). Pupils will be given free time at Alton Towers and we will be stopping at the motorway services on our return journey so money will be needed if pupils wish to purchase souvenir's/refreshments and or food on the journey home.
- Pupils will be allowed to take mobile phones. They will be responsible for the safe keeping of their devices throughout the day however these will be collected from pupils at the end of the day to safeguard their well-being and ensure a good night's sleep. With this in mind a portable charger is advisable. Pupils will be told how to contact a member of staff should the need arise overnight and whilst at Alton Towers.

We plan to return to school by 8pm on day 2. Please can I ask that you park on the loop to collect your child to enable the coaches to get into the front of the school.

Please don't hesitate to contact me if you have any further questions.

Yours sincerely,

Mrs Harrison
