

Tutor 'Pupil of the Month' October

	Pupil	Because.....
6AP	Lisa	she always demonstrates a positive, can-do attitude towards her learning. Her work ethic and support of peers allows not just herself but others to make progress in their learning and understanding. Keep up the brilliant work, Lisa! 😊
6IS	Seren	she is always displaying a hardworking and positive attitude towards her learning. She is always kind, helpful and sets a fantastic role model for her peers.
6JP	Charlie	he has embraced Y6. He is trying incredible hard in all subjects and his positive attitude towards Y6 has been noted by all. He has also taken the brave step to start his own club interacting with peers. Excellent work Charlie!!
6FL	Meryl	she tries her best to challenge herself in every lesson. She sets a great example for her peers and I was so impressed with her work ethic during our most recent writing assessment- you wrote a beautiful report about the yellow-spotted lizard and should be so proud of your efforts. Keep up the great work, Meryl! 🥰
6OM	Charlie	he has come into Year 6 with a really improved attitude – he should be justly proud of some of the work he has produced (especially in Literacy) and I think is actually enjoying being able to take a more active role in his learning!
